

AUTUMN'S

No. 123 • December 2005 **E-Leaflet**

Everybody loves good surprises! This month, we have plenty of them, starting with Autumn Ginn. Halfway through her fifth year of teaching elementary school music, she will be graduated with her Master's Degree just four days short of her 27th birthday!

Surprises continue with **three new publications** from our Ginnville...a super new DVD on this page, an overdue book reprint of *Children Laugh Louder*, and a nearly LOST **2-hr DVD** shot on my first lecture tour in June 1978! You won't believe it till you see it!

Lynne even says "Hello" amidst doing a dozen printed programs for the Christmas activities at church.

Hats, Rabbits, and Swords

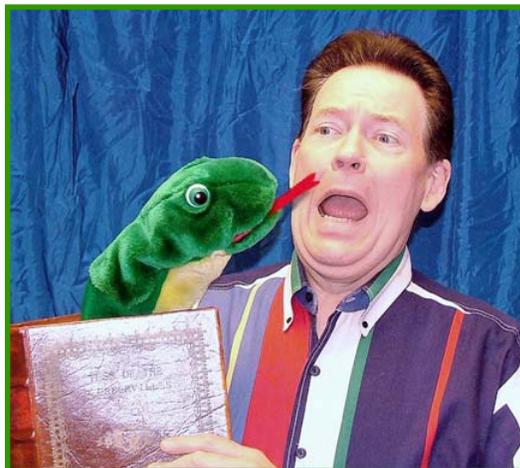

Yes, here is the *NEW unexpected, year-long-in-production, original David Ginn DVD* filmed at the Kidabra conference in August 2004.

What started out as a **lecture** became a complete **library show** performance, followed by an explanation of how's and why's. Then came *the show after the show*, with an illusion seldom seen at any magic convention and a hat production to top them all. It was a one time only *David Ginn night to remember*, filled with **Hats, Rabbits, and Swords!**

Assisted by Brenda and Marty Hahne of Dazzling Magic, David starts the evening by discussing two magic principles, featuring the Red Big Hand and Middle Diddle Silk. Next comes a 45-minute performance of David's MAD Reading Show, which includes Bookworm Warm-up, Cheat Blendo, Cane-Can, Rocco Delites, *Steve Taylor's* Airhead Rudy, Quack-Quack the Mindreading Duck, Monster Hat Origami, Big Book Bag, the Book Cover Revealed, and the No Snake Box running gag.

David's **Big Black Magic Hat** routine, from the *Crash Course on Kidshows* book but never seen on video, is the highlight of the performance, along with the new **Bunny Hat** addition, which makes a cute girl audience volunteer into the hero.

After the show David spends 20 minutes explaining the tricks and his thinking. Then comes the bonus—a live performance of **Sherm's NOMA**, the Woman of

1000 Lives, which David calls simply "the Sword Box," and following that, the *Out of a Magic Hat Encore*, a huge production with a big surprise ending. Total running time of this DVD-only product: **100 minutes!**

Hats, Rabbits, and Swords — \$35.00 (but order before Jan. 15, 2006 at just \$25.00)

Children Laugh Louder — reprinted!

By the summer of 1978 *Professional Magic for Children* was already in its second printing, and I had completed an 18-city USA lecture tour featuring material from shows and books, many items directly from the forthcoming new book, *Children Laugh Louder*.

Out of print for nearly 10 years, *Children Laugh Louder* is now back with some of my best routines: the Color Changing Shoelaces, Silk Illusion, Popaway Wand, Comedy Bits with Audience Helpers, Trap Door, Magic Words, Purple Puppy Chow, Dog By That Name, Bowing Contest, Shooting Card Trick, Wilting Flower, Ali Bongo Monster Hat, Freaky's Terror, and the classic Charlie's Invisible Message.

This "new" printing is **the same book inside** with a new cover outside. I've reprinted it for those who never got a copy! Some magicians who did still love it; some even like it best! **But there's more:**

BONUS DVD included: Before anyone was aware of the impact of video, a magician taped my "50 Ways to Make Children Laugh" lecture in Schnectady, NY in June 1978, and gave me a copy. *SURPRISE!* This 27-year old tape, featuring many *Children Laugh Louder* routines, is now a **two-hour DVD** titled "Live Lecture June 1978" (see below) and appears **FREE** inside the back cover pocket of *Children Laugh Louder*.

Children Laugh Louder + Bonus 2-hr DVD: \$25.00

Already have the *Children Laugh Louder* book?

Well...here's your chance to check out what the *Children Laugh Louder* routines really looked like 27 years ago! ALL YOU DO is order this—

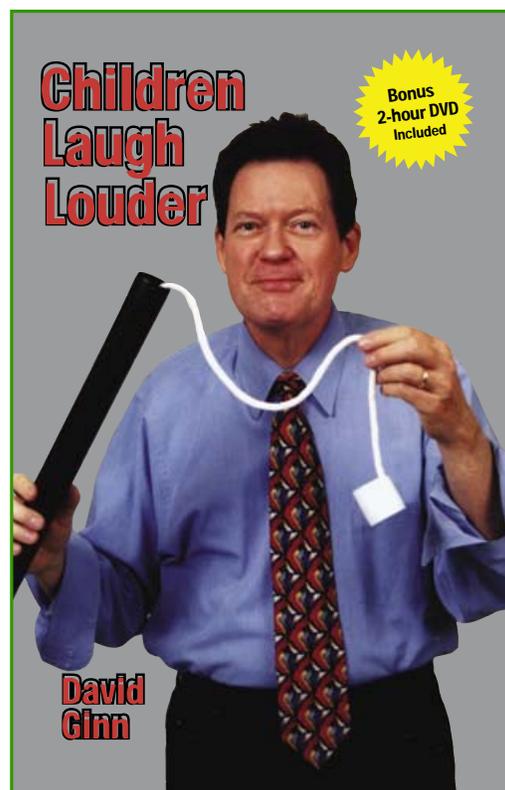

DAVID GINN Live Lecture 1978

During this two-hour lecture, **only on DVD**, the 1978 David Ginn (complete in vested suit and tie!) shares the concept of comedy warm-ups that I still believe in today, along with how entertaining children is more important than fooling them. I demonstrate this with bits such as Total Recall, Raising Hands Gag, Smile Contest using the Talking Teeth, Smokey The Bear's Hot Book, and 6th Finger Countdown from *Comedy Warm-ups & Bringing Home the Laughs*.

Then you'll see performances with explanations of the Color Changing Shoelaces*, a homemade Electric Deck, the ABC's Backwards (hey, Doc Eason uses it!), the Silks That Won't Stay Tied with Birthday Blendo, the Wilting Flower* (which I am again using this year in schools), Free Breakfast Set, Painting by Magic, Shooting Card Trick*, Popaway Wand*, Charlie's Invisible Message* (only place you'll see it on tape!), plus a final wrap-up to inspire YOU to entertain those children! Items marked * come directly from *Children Laugh Louder*.

As a THANK YOU to all who bought the original CLL book...I am offering this DVD to each of you at the unbelievable price of **just TEN DOLLARS** plus the usual postage. Just order: **Live Lecture 1978!**

Hot Flip Flops!

You won't believe this till you see it and use it! It's colorful! It's baffling! And it's magically wonderful!

Open a Jacob's ladder flip-flop toy as shown in the photo...on each section is a colorful fan, six colors in all. Have someone pick one of the colors (okay, you force the color using the simple six force as in Hot Rod)...let's say GREEN is the choice.

Have the person concentrate on GREEN...suddenly *all the little fans* shake and **turn GREEN!** In my own presentation, I close the flip-flop after the selection is made, then cause the green to jump to the bottom and top, then open it to show green in the middle and finally change ALL TO GREEN.

Easy to carry in your pocket, easy to repeat. Except each flip-flop does only one color. Wouldn't it be nice if you could do green at one table, then gold at the next, and even blue for a third group? Well, you can if you want...because if you buy two, I'll give you a third one FREE!

Hot Flip Flops are \$5 each...or three for \$10! (SOLD OUT AT TWO CONVENTIONS!)

Glitter Pom Pom Pole

No exaggeration: I took my last 22 Glitter Pom Pom Poles to Blackpool England, performed my toy shop routine, and SOLD OUT immediately after the lecture in 2004. Hey, someone even bought my own, and I had orders for more. So Jim Green in Florida got back to work and made some more! And he's still making them, and they're still selling!

Originally popularized by Doug Henning on a 1980s TV show, this trick is currently being made by many manufacturers. Jim's, in my opinion, is THE BEST. Why? It works smoothly, and it's the right size. This 10-inch pole will fit inside your coat or back pocket YET is large enough to perform close-up or stage. What happens? You pull the various pom poms (red, yellow, blue, green) back and forth, up and down, from one side to another, puzzling the audience. Then you separate the two halves of the pole showing nothing inside. When you join the pole again, the pom poms resume working. Several routines included with a precision made product!

GLITTER POM POM POLE: \$35

Shake Silk (Color Changing Streamer)

He's my friend MARTY HAHNE holding the new Magic-by-Gosh Color Changing Silk Streamer that we just call **Shake Silk** simply because that is how you make it work! This is exactly like the streamer that Supreme used to supply 30 years ago with Instant Art.

Show all four feet of it (about 7" wide) solid black, then you either swirl it around (as I do in *Professional Magic for Children*) or just SHAKE it up and down...whereupon it turns inside out into a FULL COLOR rainbow streamer!

But what makes this better is that the first six inches of the rainbow side are black, so there's never any tell-tale color flashing whether black or multicolored is showing. Even better still...it's not \$25 or \$35! **It's only...\$15.00**

Practical Magic Lecture — Only Time Offered!

Jeremy & Cheryl LePoidevin's children's magic lecture at Kidabra 2005 was a highlight of the convention. With permission, I am offering to our customers the last of their **Practical Magic** lecture notes (less than 30 left in stock) with a **75-minute AUDIO CD** of the entire lecture. Here is what you'll learn:

- **Pot Luck.** A bag containing ONE flower is given to a spectator. Four flower cards are eliminated out of five and the last card depicts the same colour flower in the bag!
- **Walk About Puppet.** A funny monkey finds a chosen ribbon. Children LOVE this one.
- **Knitty Knitty Bang Bang!** A Do-As-I-Do balloon penetration using what appears to be two tubes. Your helper succeeds while you fail. Magician in trouble!
- **Golden Welding.** A golden medallion vanishes & appears on a chain held by a spectator.
- **Telephone Gags,** 3 of them.
- **Skip 'n' Snip.** A cut and restored rope using a Jump Rope with handles. Sold out on the first day immediately after the lecture!
- **Quick on the Draw!** Two large, blank sheets are shown cleanly and numbered 1-4. A pictorial card (Winnie the Pooh) is chosen and its image appears on one of the blank pages.
- **Fishy Business.** A silk trick using a Stranger Danger theme. Very topical with the popularity of movie "Finding Nemo." A Nemo clown fish is the hero.
- **Dot's Next?** A routine for the classic *What's Next Trick*, which involves every child in the audience. Very strong in live shows, even though we've all see versions of it.
- **Invisible Balloons.** Spectators blow up invisible balloons, but in the end one is VISUALLY and AUDIBLY popped! An easy do it yourself effect with several audience helpers.
- **Dog Arm Puppet and Routine.** A multi-phased routine involving an arm puppet. You do not have to use a dog necessarily. Complete sell out at Kidabra! I love using my dog!
- **Silk to Rose.** A rose whose petals have all fallen off is restored to its original glory. Handmade by Jeremy and Cheryl in England.
- **Finally.** The lecture notes contain two bonus (and linked) effects, not shown in the lecture: **Animal Karaoke and Birth of a Butterfly.** Full instructions on how to make them.

LAST 30 COPIES...will NOT be reprinted! **Practical Magic Lecture Notes & Audio CD: only \$10!**

Cheat Blendo (so easy I think I'm cheating!)

I've been performing this effect for 25 years (see it on *It's About Time* video), I've even shown it in lectures years ago with cowboy bandanas, but I've never marketed it until now! One by one you show four 18" silks red, yellow, green, blue, shaking them around as you pick them up from your table or case...a magical happening takes place instantly and the four blendo together as in the photo.

There is no visible switch, no change bag, it just happens right in front of their eyes! Duane Laflin, who markets a similar effect, told me at Kidabra, "I really like your version!" Why? Because it's so clean, so easy, so visible! See it on *Hats, Rabbits & Swords!*

I supply four 18" silks, the 36" four square blendo silk, and my complete instructions...at a reasonable price — **just \$25.00**

S-t-r-e-t-c-h-i-n-g a Rainbow

As a teen I did Milbourne Christopher's Stretching a Rope in many shows. Now I've done it with a silk streamer in over 400 live shows! Show or produce (thumbtip) a 4-ft silk streamer. Wave it around freely, then begin to pull it back and forth between your hands. Suddenly the streamer becomes LONGER...6 feet, 8 feet, now 10 feet long, and the stretching continues until the streamer is fully **20 feet long** and can be waved freely with the hands empty. This is beautiful visual silk magic!

I supply a 2" x 4-ft streamer, a 2" x 16-ft streamer, both gimmicked here in Ginnville, plus detailed instructions as I do the effect. **Just \$15.00**

Exclusive Silk Offer: Order both CHEAT BLENDO and STRETCHING A RAINBOW together for the combination price of **\$29.00** plus shipping! These are Ginnville exclusives, not carried by other dealers.

you find the tail stuck to the donkey's NOSE! Try again and the tail vanishes! You turn around and the children start screaming...the tail is hanging out the back of YOUR PANTS! Hey, who's the donkey now?

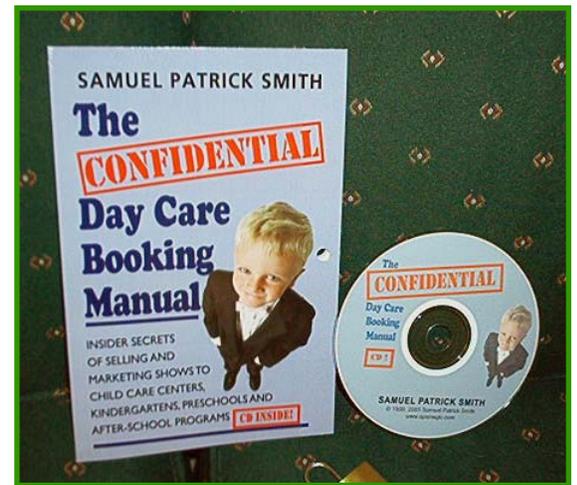

Do kids love this? Of course they do! **Tail Spin complete with donkey, tails, instructions: just \$25**

Day Care Booking Manual

Over the past 20 years Sammy Smith has entertained thousands of children at day care centers and church pre-schools. Lynne and I even visited one to see Sammy perform during a Florida vacation. Sammy had those little kids in the palm of his hand, laughing and loving his show.

In his **Confidential Day Care Booking Manual**, Sammy explains how he books all those shows, a system and philosophy which will keep you right on track and help you avoid pitfalls. Inside the book you'll also find a studio CD by Sammy explaining even more. You'll learn how to get started, background & philosophy, type of show & themes, advantages & disadvantages, the day care audience, repeat bookings, pricing, contracts, keeping expenses low, referrals, advertising, and a whole lot more.

If you ever wish to work for pre-schoolers and book day care centers, this is the book & CD for you!
So confidential it even comes padlocked!

Confidential Day Care Booking Manual w/CD: only \$25.00

Big Red Hand and Big Orange Bunny

These two excellent Goshman sponge props continue to be among my all-time best sellers! Each one turns inside-out to create a two-inch sponge ball. When you push either through your fist, reversing it, the ball becomes either a **Big Red Hand** (You caught me red handed!) or a bright **Orange Bunny Rabbit**...each about NINE inches TALL!

Personally, I like wetting mine with tap water before the show, then squeezing the sponge dry several times in a towel. The sponge stays damp (not dripping wet), which makes it 30% larger and makes it reverse much easier. I carry mine in a plastic ziplock bag, but let them dry out between shows. See **Crash Course on Kidshows** for the routine I use with both the hand and the bunny.

Regular price of the Big Red Hand or Big Orange Bunny is \$12.00 each...
but until Jan. 15 you may have either one for \$10 each or both for **just \$19.00. Hurry!**
(And yes, I do have a few RED Big Bunnies in stock.)

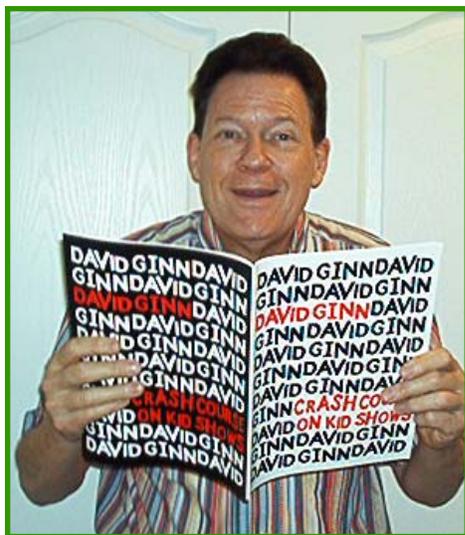

Bunny Hat — Sold out in the UK, Italy, Spain!

No more Top Hat to Rabbit—just call it the **Bunny Hat**, and kidshow entertainers love it, as do their audiences!

Show this black plush kidsize top hat. Have a child face the audience, and as you step behind him or her to put it on the head, you turn it quickly inside-out and put it on the child's head as you see in the photo with my friend Lindsey. Hold up your finger and caution the kids NOT to tell her! Proceed with your trick. She doesn't know what's up there! At the end, ask her if she's had a rabbit on her mind...remove the hat and show her for a big laugh.

Terry Herbert bought one. A week later he tried pulling a rabbit out of a hat at a party, which always failed (running gag, magician in trouble). Finally he put the hat **flipped inside-out without looking on his own head**, and the children howled with laughter.

A wonderful kidshow prop! BUNNY HAT: only \$35.00

Crash Course on Kidshows

THIS BOOK is the most important magic book I've written in years, especially if you love and want to ENTERTAIN CHILDREN! In three major sections I discuss why we do kidshows and my basic show format; followed by *33 Things Children Enjoy*; and finally 13 kidshow routines I have used in **thousands of live shows** and which I showed on four foreign lecture tours, selling literally hundreds of copies!

You'll get my full routines with the Big Red Hand, Pom Pom Pole, Future Fungus, Tape Measure Wrist Watch, Jumbo Card on Back, the Big Black Magic Hat, Spike Arm Illusion, Gecko from Hawaii, Turkey Sandwich/Jr Chicken, Hocus Pocus Hare, Glow Loops, Pluto Planet, Jumbo McCombial Deck, and *some inspiration too!*

Take this hand in hand with **Professional Magic for Children** and the new **Live Kidbiz 2 Master Textbook** and you're right up to date on how I love doing magic for kids... and how you can do the same!

Crash Course on Kidshows reg \$15...Christmas Special: \$10.00...or with ANY \$50 order, just \$5.00

Big Black Hat

ANOTHER SELL-OUT ITEM in England and Scotland! Plus it's one I'll be using for the rest of my performing career! Show this big black plush hat (madhatter style) EMPTY, put on a kid's head and it drops to his chin for a big laugh. He waves a color changing wand over it (FREE with your hat) and suddenly pulls dozens of silks out of the hat, followed by a beanie bunny (YES, included!), even a 6-ft Rabbit Silk (no, not included!). My full 5-page routine is in **Crash Course on Kidshows**, and if you play it my way, not only will YOU love doing it, but the kids will LOVE YOU!

Get the book! Get the hat! Get the free color changing wand and the free beanie bunny! Trust me — be a believer! It works!

BIG BLACK HAT w/free wand & bunny...only \$35.00

Middle Diddle Silk

SERIOUSLY, this is one of the best-selling, inexpensive tricks I've ever performed myself and also offered to magicians. Kids love it because they love "to catch you!" It packs small, plays big, comes with the silk, and appears on my new **Hats Rabbits DVD!**

Show the board with three holes, one in the red end, one in the yellow end, one in the striped middle. Push a red silk into the red end. Pass the board behind your back and the silk jumps to the yellow end. Repeat this until the kids realize you're turning it over.

"What? Next thing I know you'll want me to put the red scarf into the middle!" So saying that, with a magical pass the red scarf instantly appears in the MIDDLE of the board. Believe me, this is VERY easy to perform and you'll love doing it. A complete sell-out at six conventions, UK, Italy, Spain lecture tours!

Middle Diddle Silk complete with FREE silk: only \$10.00

Frank Herman's GLOW LOOPS

Yes, Frank would be happy to hear that his trick was a complete sell-out on my UK, Italy & Spain lecture tours, and it's still selling!

Just blow through the straw in the side of the plastic Coke or orange bottle...the colorful string spins around...then a plastic bracelet passes VISIBLY, *magically* through the moving string! Do it several times (following my routine in **Crash Course**) and at last do both bottles and bracelets at the same time. Watch the faces of the children and adults when this happens—it knocks them over!

Now I've even added using a Popopen Wand with the trick as well as the bracelets! It's amazing! And it's cheap!

GLOW LOOPS (two bottles, straws, bracelets, popwand, instr) **\$5.00**

Complete SNAKE CAN with video

ALL over England & Scotland a year ago, I showed the Snake Can routine I created and published over 35 years ago! It still works to create fun and laughs for children who weren't even born then! With two children on stage helping, I offer them jelly beans from an empty can...then have fun with a big toothbrush, a giant comb, and jumbo sunglasses...an 18" Color Explosion Silk vanishes from the boy's hand...then four cloth-covered spring snakes appear from the jelly bean can the girl has been holding all along...complete with the missing silk tied to one!

Merry Christmas! Happy Holidays! Here's your bargain: I'll ship you **two** colorful Jelly Bean Cans, **four** cloth-covered spring snakes, **two** Color Explosion 18" Silks, a giant comb, toothbrush, sunglasses (as pictured), my original *Snake Can* booklet, AND my *Magic in Black & White* library show video showing the entire routine performed LIVE...a retail value of \$65.00...all this for...

ONLY \$45.00

(Video ONLY in USA/NTSC, no PAL videos! Package without the video at \$35.00.)

Vanishing Coke Bottle with Free Silk

After 25 years of performing this wonderful trick in thousands of live shows, plus selling it in lectures, the Vanishing Coke Bottle story is coming to an end. The manufacturer has NO MORE because he sold them all to ME. Yes, they are here in Ginnville!

Show a liter Coke bottle, cover it with a paper tube, suddenly crash the tube down over it and show it empty — **COKE GONE!**

See me perform it on the *Live Kidbiz* DVD or in the original **Kidbiz** book. It still plays, and audiences love it. You can even change a Coke bottle to a can of Coke or even Pepsi!

Chicken-Turkey Sandwich

Finally, I found some cheap LARGE rubber chickens that will fit inside my foam mirror sandwiches. So cheap I can reduce the price on the combo. Tell the kids you have a sandwich but don't know if it's chicken or turkey. Pull the bread open and out pops the rubber chicken, legs one way, head the other! What's so funny about that? Oh, you wanted turkey? Well, here's your TURKEY. Show kids the MIRROR inside the sandwich so they see their own faces!

My complete routine is in *Crash Course on Kidshows*. Now I can offer you the BIG RUBBER CHICKEN **and** the TURKEY SANDWICH **together** for a low **\$9.00 only!**

Best Breakaway Fan...only 6 left in stock

When I was a budding teenage magician I had a great \$2 Breakaway Fan. It was made of bamboo ribbing with cloth between the ribs. Unfortunately they stopped making those years ago. They went to making them using thick aluminum ribs that LOOK THICK. Somewhere mine eventually died, and I stopped using this great gag.

NOW...some highly intelligent magic manufacturer has remade that kind I loved so much...looking exactly like the GOOD KIND I had...but the ribs are made in heavy duty plastic and they are good! So good that you can even flex the fan back and forth when closed without breaking it!

SHOW the fan together when open, fan yourself a bit, then ask a kid to do it too. When he or she opens the fan, all the sections come apart for lots of laughs. You the performer cannot understand it. So you repeat it several times and finally let the KID get it right and YOU CANNOT! End up with the joke on **you** and make the child look the hero. Everybody wins! **\$9**

Flower Wallet

Over 200 sold on my UK, Spain, Italy & Ireland lecture tours! Show this flat cardboard wallet empty on both sides, inside and out, then close it. A moment later you open it to reveal a pair of colorful spring flowers. You repeat this four more times until you have TEN FLOWERS in all, filling a small basket. And it's so easy!

Flower Wallet is essentially a black cardboard version of the Humber Wallet, but with 5 secret compartments. Each compartment can hold a pair of spring flowers, or money, photos, business cards, whatever fits. You get TEN mylar spring flowers in five colors with the wallet. See my routine on the *Kidshow How-2* video, plus I describe it in the new *Live Kidbiz 2 Master Textbook*. An excellent value for the low price...**only \$9.00 each!**

13-Ft Silk Streamers...only 9 left, no more!

I don't know how I did it, but we've ended up way overstocked on these beautiful 6-in x 13-ft silk streamers. I use mine as the climax to my Delite Thumbtip routine many of you have seen me perform. Yes, I can accordion-fold & wrap this **13-ft streamer** into a tight ball that will hide in my fist, yet pop open when I give it a snap. But there are other ways to use these streamers:

- Out of Change Bags • Phantom Tube or Ghost Tube • Niffen Bottle • from inside the Vanishing Coke Bottle
- Any Production Box • SEW two or more together to get 26-ft, 39-ft, even 52 feet! Regular Price: \$18-20 each.

SALE PRICE just \$9.00 each!

Fishing Pole Wand

Hand this wooden wand to a child; it falls apart into four sections attached to each other like a FISHING POLE. Lots of sight gags included ..just as funny as the breakaway wand and easy to work. I've used mine in 1000 shows with audience assistants! You will too! **\$9.00**

Giant Zipper Banana

In a nutshell, here is the **best ZIPPER BANANA** ever made! Magician, clown or MC decides to take a break, pulls a banana from his pocket, UNZIPS it, peels back the yellow skin, takes a bite, then zips the banana back up and pockets it. Repeat this as a running gag.

Now you can have this OVERSIZE model, which automatically makes kids laugh. But there's more: this zipper banana contains an **imitation banana inside**, which has a FACE on it! You can use the fake banana just to keep the shape of the zipper jacket OR make it talk if you're a vent! Or let the banana whisper in your ear and tell the kids what it says: "You're name is Chiquita? You've got a PEEL? You know Senator Dole?" Stuff like that. Or use a real banana inside with the usual routine. Instructions have more gags. **Zipper Banana: \$9.00**

Famous Stamp Album Trick

The Stamp Album has been off the market for years! Now it's back in a super NEW VERSION with several surprises.

Start by showing an 8.5 x 11 inch notebook full of blank pages. Suddenly the cover of the book changes to a beautiful full color Stamp Album, which Ben holds in the photo. Flip through the Stamp Album to show printed places for putting in the stamps you collect.

Show a plastic packet of colorful **REAL postage stamps** and pour these into the Stamp Album. On the final flip through the album, you show that stamps have magically appeared pasted in full color into place on EVERY PAGE!

Easy to perform, complete with 3-way album, over 100 stamps, special notebook cover. Reg price \$15.

AL fall special: \$9.00

Chain of Sin

BARRY MITCHELL of creativity fame is at it again with an excellent gospel magic effect. Two loops of colorful plastic chain are hooked together and then over your arm, one hanging down. The bottom one represents MAN and his sin outside the hand of God. The top red chain represents Jesus within the will of God. A little pull and the chains switch places representing how Jesus took our place on the cross.

This is a nicely made trick with solid scripture references, and it's easy to perform. Excellent for church shows or Sunday school classes because children remember the message with the magic. **Chain of Sin: reg \$15...only 8 left in stock, no more! JUST \$9.00**
