

AUTUMN'S

No. 125 • Early Summer 2006 **E-Leaflet**

SURPRISE! David Ginn here, celebrating the finish of 35 years of doing school shows for a living. What else? I've already plunged into doing my "Secret Tales from a Lost Castle" summer library show! Not only is it still fun, but this summer I'm working only North Georgia, which means I will sleep in my own bed every night in June!

Ten days from now Autumn herself will take a People to People delegation of 40 kids ages 11-12 for two weeks in Australia. Even Lynne is traveling this summer. She and I will spend a week at the beach in July and later a week in England (lecture July 21 for London Society of Magicians)! We've managed to work all this around the FCM, SEAM & PCAM conventions, and have time to ship your orders!

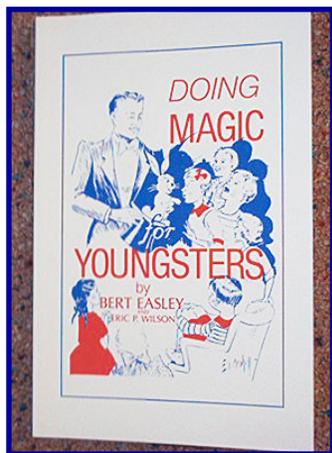

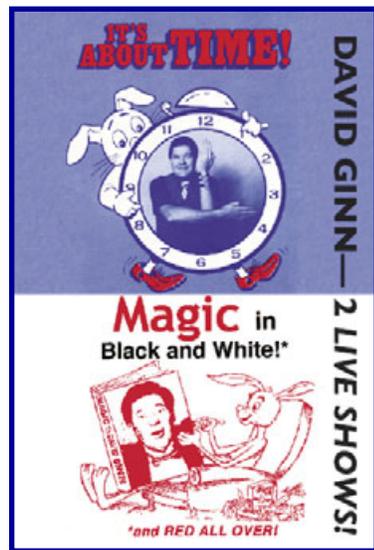

NOW here it is...my continuing effort to get all my videos into DVD format, two at a time. As you can see I have combined TWO live show videos into one DVD *It's About Time and Magic in Black & White*. Here are brief descriptions of each:

1. It's About Time. David Ginn's second video appeared in 1990, a complete school show about watches, clocks, and calendars, teaching children the concept of TIME. Now you get to see David in his element, both entertaining and educating children with comedy magic live at a City of Atlanta school. Have fun watching the Time Warm-up, Music Magic, Rabbit Tub, Banana Snack, Clock History, Flying Watch, Race Against Time, and Rabbit Plays Guitar. *For magicians only: TIME book accompanies this video IF you don't already have it, explaining David's behind-the-scenes methods and secrets.* 55 minutes total.

2. Magic in Black & White. In the summer of 2001 David Ginn criss-crossed the State of Georgia doing a library show with a newspaper theme. "What's black and white and red all over?" was the question he kept asking the kids, always offering a different answer. The live magic includes a funny spotted dog, a magic checkboard, tricky bottles, newspaper surprise, David's Famous **Snake Can routine LIVE**, walking through paper, the newspaper tree, and a surprise ending with a special surprise guest! 55 minute performance only.

PRICE-WISE, here's the deal: RETAIL PRICE is \$25 for the two hour DVD. Order it before July 31 at just **\$19 with the TIME book...or \$15 without the book**. Many of you have the TIME book already (no use having it twice)...so if you want the BOOK, please make that clear on your order! Otherwise, no book!

TIME/B&W DVD only \$15...or TIME/B&W DVD with BOOK \$19

Doing Magic for Youngsters

This is not the first book of children's magic ever written. But it is the first one I read as a teenager, and it put me on the right path to entertaining children.

Doing Magic for Youngsters is actually two books in one, written by Bert Easley and Eric P. Wilson. The first half tackles magic words, different kind of audience, opening stunt, visual comedy vs. jokes, using volunteers, sucker tricks, rabbits, making candy and more. Part two offers several complete children's shows by Eric Wilson, hints on making your own tricks, magical gags, and a list of do's and don'ts for kidshows.

Paperbound, 122 pages, with Ed Mishell illustrations. I am sure you'll find something in these pages that will help YOU! Reg \$10...**SPECIAL: \$5.00**

Vanishing Coke Bottle

After 25 years of performing this wonderful trick in thousands of live shows, plus selling it in lectures, the Vanishing Coke Bottle story is coming to an end. The manufacturer has no more all are at my house! **No more will be made!**

Show a liter Coke bottle, cover it with a paper tube, suddenly crash the tube down over it and show it empty COKE GONE! See me perform it on the *Live Kidbiz* DVD or in the original *Kidbiz* book. It still plays, and audiences love it. You can even change a Coke bottle to a can of Coke or even Pepsi!

In 1980, when this bottle came on the market, the price was \$35. Over the years it went over \$50. My price will be **\$35.00 until the end (maybe 50 left)**. Yes, *THE END is seriously near!*

Do You Own the ENTIRE Live Kidbiz Series of Two Books and Four DVDs? If you don't, read the description in the March 2006 newsletter, then take up this special: ORDER the entire Live Kidbiz Series a retail price of \$140 at the Summer Special sale price of just \$89.00 total POSTPAID by July 31, 2006! Hurry!

The NEW BOOK WORM!

Sammy Smith has finally done it made his BOOK WORM trick in Supreme QUALITY! Similar to Farmyard Frolics and Pet Store Pranks, Book Worm has a library theme. You show a library folder. Open it to show books inside, then you look for Bob the Book Worm. He's not there. Maybe he's hiding among the books?

So you now show big cards with different types of books, fairy tales, history, adventure, geography, how-to books, and there is Bob the green worm, playing in the books. After all, he likes to read, as most of us book worms do! Suddenly Bob vanishes. Open the library but he's not there. Then the kids see him peeping out from behind the folder without the performer seeing him. Finally YOU do see him, and all ends well.

You get FIVE heavy laminated book cards, BOOK WORM card heavy laminated, LIBRARY FOLDER also laminated, and the cut-out pop-up Book Worm card (yes, laminated), plus very clear instructions by Sammy Smith and Selina Frederick.

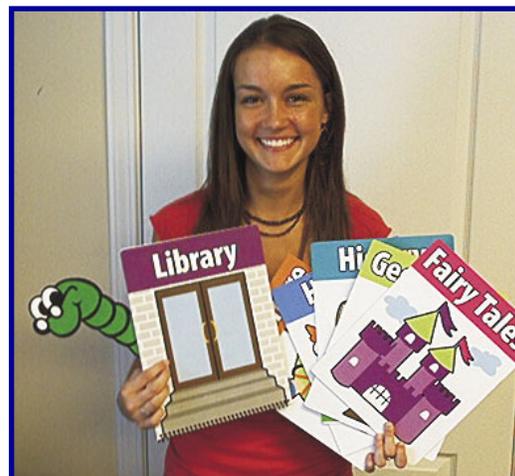

BOOK WORM is a wonderful routine for schools, churches, and of course LIBRARY SHOWS. It gives you ample opportunity for both FUN and READING EDUCATION! **Book Worm only \$45.00**

Tipple Tipple Wand (Supreme!)

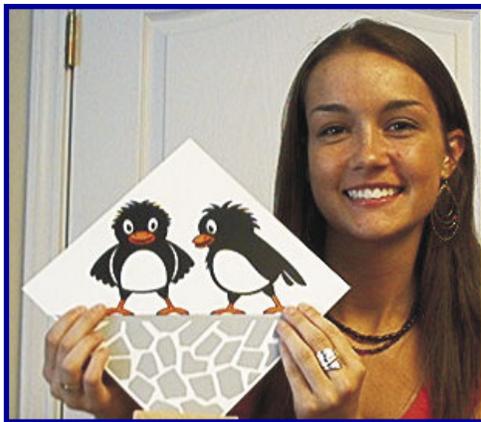

Years ago when Supreme Magic in England was alive and well, one of the best COMEDY ITEMS they made was the **Tipple Tipple Wand**. At Blackpool last February, to my surprise, I met the man who hand crafted Supreme's **Tipple Tipple Wands** and many other items. Well, *surprise*, Magic 500 members! I came home with a few and he made me **three dozen more!** Yes, they're here in Ginnville right now! And you have the first chance at getting one, so hurry! Instructions include my routine from my *Nearly Unpublished* book (page 19).

Basically, a Tipple Tipple Wand is a breakaway wand that was never cut into sections. This means the top and bottom white end caps will tipple over IF you release your finger pressure on the other end. Kids love it when you play look don't see with this one. I finally show it "fixed" back and forth at each end, then hold it horizontally and let both ends drop.

Don't wait on this! Only 3 dozen in stock! Hand crafted in the UK! I may have no more till next year's trip to Blackpool! **Only \$25.00 each!**

Lynne Ginn herself

Fly Away Birds

HAROLD TAYLOR gave me this great sucker trick in 1966, and I still have mine! You can read my routine in *Professional Magic for Children*. Show the placard that Rebecca is holding in the photo, showing two little black birds. Say a child's poem as you cover them with a silk scarf. When you pull off the scarf, the birds are gone. Repeat and make them return.

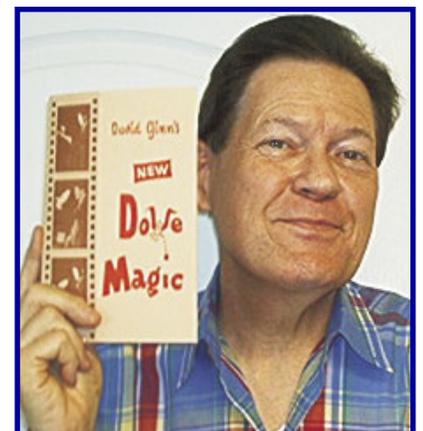

After a couple of times, the audience kids will be shouting: "They're on the back! You turned it around!" But when you show the back of the placard at last there sits the funny old CAT who probably made those little birds DISAPPEAR! (Yes, he ate them!)

Imported from Denmark, this version of FLYAWAY BIRDS is made exactly like the original. Complete with placard, gimmick, stand, and instructions in English! **Only 12 in stock so don't wait!** You'll have fun doing a different sucker trick! **Just \$35.00**

New Dove Magic

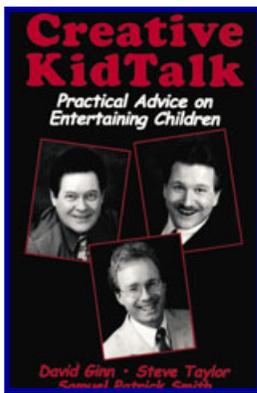

Speaking of BIRDS...I have just heard from Ramona Jacobs, wife of Lee Jacobs who passed away last year...saying that *she has found and is sending to me 57 copies of my LONG OUT OF PRINT 1972 dove book: New Dove Magic!* Yes, it was new 34 years ago! And it will be new to you if you don't own a copy.

If I remember correctly, the book contains 17 dove productions that I developed myself in the 60s & 70s (used in 100s of live shows), plus hints and tips on working with doves. No reprint planned! I'm surprised to find these copies, so I'm setting a \$10 price on them. But I love a summer special so order before July 31st at **just \$8.00!**

Daddy G Powder...best slush powder in magic!

This is Ginnville slush powder, purchased directly from the chemical company, strong and pure, and I guarantee it works, plus I can give you a better price!

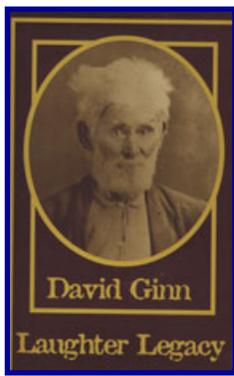

Daddy G Powder is strong enough to gel water, tea, coffee, soda, juice.

Pour 3-4 oz of water into a styrofoam cup, push two knitting needles through the side, turn the whole thing upside-down, and the water is gone! See this on Live Kidbiz 4 in the "Save Our Water" ecology routine. On my Kidshow How-2 video I play 3-cup monte with the water before it vanishes leaving a 12 foot silk streamer! Glue an empty medicine bottle inside the top of a cup, hiding a red silk inside. Pour red colored water (cake coloring) into the cup. A moment later you turn the cup overno water comes out but you pull out the red silk.

All you do it put a little of the powder into the cup before the show. When you pour water into the cup, the powder INSTANTLY congeals the water into a semi-solid, allowing you to turn the cup upside-down. One 30 dram bottle of my Daddy G Powder will last 20-30 shows, depending on how much you use.

Daddy G Powder: \$5 per bottle, 3 bottles for \$10.00 **but until 7/31/06 FOUR BOTTLES \$10**

Magical Thinker DAVID ROPER wrote it; David Ginn edited & published it. It's 248 pages hardbound with dust jacket, and it is the only book in magic that explains how to mix magic and comedy together from the family entertainer point of view.

He even teaches you how to play Hippy Hop Rabbis as a closer for adult shows! Rocco BLUE D'Lites (really cool magic)

Trust me on this one: Rocco's NEW blue D'Lites are the best thing to come out since the original red ones! The yellow & green ones don't show up. I'd never use or sell them. But BLUE is a different story! At a lecture I did for the Georgia Magic Club this spring, I showed my routine for the first time with BLUE, then RED. The unanimous opinion of all magicians present was that the *BLUE showed up BETTER!* I was amazed to find this out...and that helped make my decision, not only to carry them in our newsletter, but also put the **BLUE D'LITES** into my new fall shows!

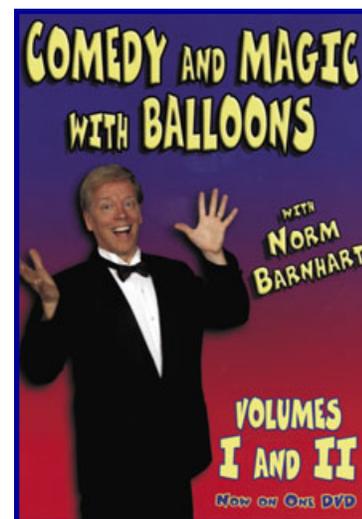

Like the original, these run generally \$15-25 each, depending on who is selling them. But I am offering you a **PAIR of BLUE D'LITES** in one box for **just \$25.00 for both**. Regular or large size ONLY. In stock now!

From David Ginn Magic—a new exclusive silk pattern you'll get nowhere else!

BEAUTIFUL! PURE SILK from China!

Made in VIBRANT, BRIGHT COLORS!

1. Color Explosion 18" Silk:

This one boasts a red background, with sunburst spikes of green coming out of a yellow circle, then 4 concentric circles of yellow, red, light blue and dark blue. An outstanding silk for vanishing one and re-producing it (a duplicate) somewhere else, as in my Snake Can routine (which will now include two of these). Reg. price \$10.

2. Color Explosion 36" Blendo:

For the blendo we have made the same design in 36" square size with a bright green background, red spikes, red-yellow-dark blue concentric circles on an orange circle flanked by a black circle background and the R-Y-B concentric circles repeated in the four corners. This 36" pure silk comes packaged with FIVE 9" silks (red, yellow, orange, green & blue). Start with them tied together end to end, wave the string of silks around, bunch them up, and change to

Color Changing Wreaths

They're back, beautiful, and inexpensive! Better still, they come with a CLOTH JACKET! Show 3 white 12" feather rings, place them one by one in the jacket, and they change to red, yellow, blue as you pull colored silks through their centers. Then put them all into the jacket and pull them out to reveal NOTHING. Finally you toss the trio of rings into the air, where they suddenly expand into ONE GIANT **three-foot** feather ring using all three colors!

I have now been using versions of this trick for 26 years, starting with the original \$80 version. Now here's the best version yet, with a cloth jacket and 3 hanks (I replaced mine with 18" silks) at an extremely reasonable price. Not \$45, not even \$35—**only \$25 complete!** Why not buy TWO while the price is right, and you'll have a back-up for

years to come. Hey, KIDS LOVE THIS! So do I.

Econo Color Changing WREATHS—just \$25.00

Glitter Pom Pom Pole

No exaggeration: I took my last 22 Glitter Pom Pom Poles to Blackpool England, performed my toy shop routine, and SOLD OUT immediately after the lecture. Hey, someone even bought my own, and I had orders for more. So Jim Green in Florida got back to work and made some more! And they're still selling!

Originally popularized by Doug Henning on an 80s TV show, this trick is currently being made by many manufacturers. Jim's, in my opinion, is THE BEST. Why? It works smoothly, and it's the right size. This 10-inch pole will fit inside your coat or back pocket YET is large enough to perform close-up or stage. What happens? You pull the various pom poms (red, yellow, blue, green) back and forth, up and down, from one side to another, puzzling the audience. Then you separate the two halves of the pole showing nothing inside. When you join the pole again, the pom poms resume working. Hey, it's MAGIC! Several routines included with a precision made product!

GLITTER POM POM POLE: \$35

Six Foot RABBIT Silk

Since these Rice reproduction silks appeared, I've learned that you can easily hide one in a small space. In fact, you can hide three or more in my BIG BLACK HAT (\$35) shown in earlier newsletters. Yes, produce this huge beautiful bunny silk magically, or just use it as a backdrop!

I am placing the Rice Repro RABBIT IN HAT SILK—the Six Foot RABBIT Silk—on sale! Remember, if you bought a genuine Rice 6-foot silk these days, you'd pay \$300–600 depending on the quality. These sell at \$150 retail...my price has been \$125...but I'm placing just the 6-ft RABBIT SILK on sale at the LOW, LOW, LOW PRICE of just**\$99.00**

Purple Orange Eater

Here is one of my personal favorite magic creations, maybe because I thought it up! Tell the story of a little monster who loved oranges, relating the tale with shoelaces. Pull the ORANGE one through your hand, where it changes to PURPLE. Kids think the missing lace is "in your hand," but no—that one's GREEN! End up by pulling the missing orange one from your pocket, but that's not all—suddenly you S-T-R-E-T-C-H the orange lace from 27" to nearly five feet long as you verbally end the cute story about sharing with others. You get the complete gimmicked laces with my full instructions and patter story.

Profit at the Party

The Enlightened Magicians

The second of our lost treasures this summer is Michael Jeffreys' 271-page out-of-print hardback book, *The Enlightened Magicians*. A few months back I located 48 more brand new, MINT condition copies of this super book, which interviews eighteen well-known magicians, including a photo of each and about 10–14 pages of text with each performer. **ONLY 14 COPIES ARE LEFT**, and I will be happy to **AUTOGRAPH** my pages!

Practical Magic Lecture... Exactly 9 Left... Last Time Offered!

Jeremy & Cheryl LePoidevin's children's magic lecture at Kidabra 2005 was a highlight of the convention. With permission, I am offering to our customers the last of their **Practical Magic** lecture notes with a **75-minute AUDIO CD** of the entire lecture. Here is what you'll learn:

- **Pot Luck.** A bag containing ONE flower is given to a spectator. Four flower cards are eliminated out of five and the last card depicts the same colour flower in the bag!
- **Walk About Puppet.** A funny monkey finds a chosen ribbon. Children LOVE this one.
- **Knitty Knitty Bang Bang!** A Do-As-I-Do balloon penetration using what appears to be two tubes. Your helper succeeds while you fail. Magician in trouble!
- **Golden Welding.** A golden medallion vanishes & appears on a chain held by a spectator.
- **Telephone Gags,** 3 of them.
- **Skip 'n' Snip.** A cut and restored rope using a Jump Rope with handles. Sold out on the first day immediately after the lecture!
- **Quick on the Draw!** Two large, blank sheets are shown cleanly and numbered 1-4. A pictorial card (Winnie the Pooh) is chosen and its image appears on one of the blank pages.
- **Fishy Business.** A silk trick using a Stranger Danger theme. Very topical with the popularity of movie "Finding Nemo." A Nemo clown fish is the hero.
- **Dot's Next?** A routine for the classic *What's Next Trick*, which involves every child in the audience. Very strong in live shows, even though we've all see versions of it.
- **Invisible Balloons.** Spectators blow up invisible balloons, but in the end one is VISUALLY and AUDIBLY popped! An easy do it yourself effect with several audience helpers.
- **Dog Arm Puppet and Routine.** A multi-phased routine involving an arm puppet. You do not have to use a dog necessarily. Complete sell out at Kidabra! I love using my dog!
- **Silk to Rose.** A rose whose petals have all fallen off is restored to its original glory. Hand-made by Jeremy and Cheryl in England.
- **Finally.** The lecture notes contain two bonus (and linked) effects, not shown in the lecture:
- **Animal Karaoke and Birth of a Butterfly.** Full instructions on how to make them.
