

# Autumn's Leaflet

March 2007  
No. 129

Welcome to our first newsletter of the new year! Lynne and I got warm in January along with Brenda & Marty Hahne on a workshop trip to Honolulu, Hawaii. There we all were for a week—sharing kidshow magic & fun, eating coconut/pineapple bread pudding & drinking Kona coffee for breakfast, finding our way through the Dole Plantation Maze, and climbing Diamond Head Crater. Again thanks to all our Hawaii friends who attended the workshop!

**NOW THE NEWS:** It's been a long time coming — I've been performing it and teaching it for over 20 years — but now you can learn it in the comfort of your own home:

## The Amazing, Phenomenal & Borderline Fantastic TABLE CLOTH STUNT

CONSIDER THIS: Have you ever wanted to REALLY pull the table cloth from under the dishes without breaking anything? Not a clown gag or a joke, not breaking dishes for comedy—**but really doing the stunt?** Well, folks, here's your chance to learn how, taught to you by someone who has performed the Table Cloth Stunt LIVE in over 1000 shows WITHOUT EVER missing or breaking a single dish.

I am that person, David Ginn, and that statement is a fact. **I did it, and SO CAN YOU!**

Join me on this live class DVD teaching an audience of magicians and clowns — **and YOU** — step by step HOW TO DO IT.

But wait, there's more: **Included** with the DVD you'll receive the EXACT CORRECT CLOTH I employ to perform the stunt, professionally cut for you to my own specifications.

True, in my live shows I "clown around" and play up several comedy angles before I actually do the STUNT, but in the end I really accomplish the trick. Frankly, it still amazes me! And when YOU learn that you can do this, you'll be thrilled at the new skill you've added to your family and kidshows!

NOW IS THE TIME to simply jump into something NEW — something you can easily learn, and with practice, be doing in your own shows within a week's time.

Hey, audiences of children and adults love **the TABLE CLOTH STUNT!** I've used it at schools, libraries, parties, and church family nights...often to close the show! Two summers ago I put my LIVE RABBIT on a plate in the middle of the table and did the stunt with the rabbit AND the dishes! Yes, it worked, and the kids loved it!

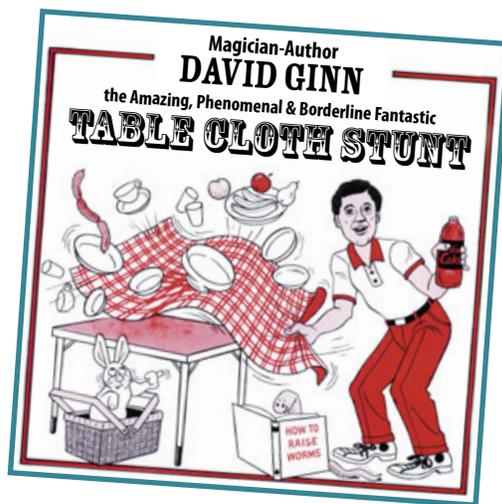

Table Cloth Stunt DVD with cloth — only \$35.00

## Jump Ropes

Without a doubt, this Jim Jayes invention is one of the best tricks Sammy Smith has ever released. In dozens of workshops years ago I watched Sammy perform and perfect it, and it's still strong for kids.

Show two paper lunch sacks with a red rope in one and white rope in the other. Snap your fingers, and the ropes trade places. Snap again, they jump back. Of course, spectators think you have extra ropes in the sacks — and they're right! Tip over the bags and two CANDY-STRIPED ropes tumble out, leaving the bags completely empty. See the photo with Lindsey.

This complete outfit comes with colored sacks and all the ropes, expertly made for hundreds of shows. Packs small, plays big! Use it!

**THANKS, Lindsey, for modeling!**

**Jump Ropes — in stock NOW and only \$20**

## Star of the Show!

For over a year I've had none of this great sponge item made exclusively for me by Gosh. Now they are back in stock, hurray!

Show a 2-inch yellow sponge ball and push it through your fist. When you open your hand, it has become a big YELLOW STAR 6-8 inches in size. It can be the Star of Bethlehem for Christmas shows, or use in a child's hand to open up, then pronounce the girl or boy "Star of the Show."

50 in stock now...don't wait till I run out!

**Star of the Show — just \$12.00**

## 3 x 5 ft American Flag Blendo

Several years ago I offered a 2 x 3 ft American Flag Blendo. We sold out, and there are no more. Now I've had the one time only chance to offer you stage performers a BIGGER version. The twenty I have in stock may be all I ever get!

Imagine waving around three silks tied end to end together, red-white-and-blue, bunching them up in your bare hands — then suddenly popping them open to reveal a **genuine 3 x 5 foot 50-star American Flag!** That is exactly what I am offering here to 20 smartest people who order first — **a 3 x 5 foot American Flag Blendo set!** You'll get the 3 silks, the big flag, and the Karl

Wagner/Neil Foster instructions. What more could you want to put that patriotic trick into your shows? This is it! And there's patriotic John Doyle in the photo!

**3 x 5 American Flag Blendo: only \$30.00**

## Rajah's Necklace

I have kept this a secret now for three years. I bought mine in Portugal and used it in over 300 live performances of "Secrets of Ancient Egypt" with a TEACHER on stage. Not only did my routine really gel, but the audience kids loved it and it made the teacher look good!

With any adult lady on stage, I tell the story of Egyptian Queen Cleopatra, how she loved make-up, beautiful clothing, and jewelry. Her favorite was a pearl necklace brought all the way from the orient, shown hanging on a stand (pictured). I remove the necklace and place it in a see-thru bag, then as a precaution take it out and have the teacher hold it in HER

HANDS. She is playing Cleopatra, and when Cleopatra goes to sleep, a thief sneaks into the palace and steals the necklace.

Cleopatra the teacher pretends to sleep and wake up; she opens her hands and the necklace is gone! Fortunately, her court magician (who looked a lot like me) came to the rescue. He covered the jewelry stand with a cloth (18" silk you supply), snapped his fingers, and removing the cloth found the necklace had returned to the stand.

YES, it works EASILY, just like that. You get stand, necklaces, the vanish bag, and most important my word for word routine. A super trick!

Rajah's Necklace — only \$35.00

## Best Rope Scissors

FINALLY, here is a pair of scissors that will REALLY CUT ROPE! How many times have you tried to do the Cut & Restored Rope Trick and had to CHEW your way through the rope with ordinary scissors? Me? Plenty of times!

**These new 8" shears are the answer!** Professional quality, made by CLAUSS, these scissors are NOT stainless steel — they are TITANIUM BONDED, 3 times HARDER than stainless steel, and highly resistant to corrosion. They are so strong, in fact, they will CUT THROUGH BONES! I do not, however, suggest you try that on your finger, because it will work! And yes, they will easily cut through ROPE!

Best Rope Scissors while in stock...\$12.00

## Stage Size HOT FLIP FLOPS

For two years I've been showing this wonderful trick called HOT FLIP FLOPS in my lectures and selling out! Now they've made it twice the size for stage shows.

Show this Jacob's Ladder kid toy with six different colored fans. Have someone pick a number. Count or spell down to that number of fan (Hot Rod Force). Now stare at the color you selected...and suddenly all the fans, all six of them, change to THAT COLOR!

**\$7 each.** But you should always have a back-up, so I offer you:

Two Stage Size HOT FLIP FLOPS for just \$10

## Bunny Hat — Sold out in UK, Italy, Spain, France!

No more Top Hat to Rabbit—just call it the **Bunny Hat**, and kidshow entertainers love it, as do their audiences!

Show this black plush kidsize top hat. Have a child face the audience, and as you step behind him or her to put it on the head, you turn it quickly inside-out and put it on the child's head as you see in the photo with my friend Lindsey. Hold up your finger and caution the kids NOT to tell her! Proceed with your trick. She doesn't know what's up there! At the end, ask her if she's had a rabbit on her mind...remove the hat and show her for a big laugh.

Terry Herbert bought one. A week later he tried pulling a rabbit out of a hat at a party, which always failed (running gag, magician in trouble). Finally he put the hat **flipped inside-out without looking** on *his own head*, and the children howled with laughter.

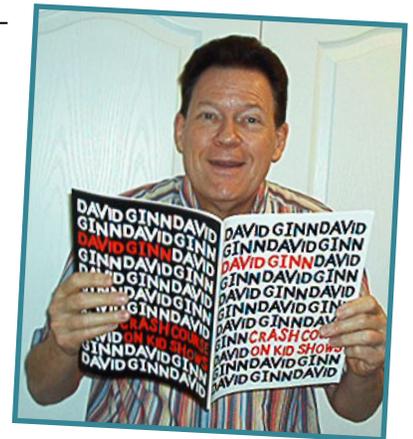

**A wonderful kidshow prop! BUNNY HAT: only \$35.00**

## Crash Course on Kidshows

THIS BOOK is the most important magic book I've written in years, especially if you love and want to ENTERTAIN CHILDREN! In three major sections I discuss why we do kidshows and my basic show format; followed by *33 Things Children Enjoy*; and finally 13 kidshow routines I have used in **thousands of live shows** and which I showed on four foreign lecture tours, selling literally hundreds of copies!

You'll get my full routines with the Big Red Hand, Pom Pom Pole, Future Fungus, Tape Measure Wrist Watch, Jumbo Card on Back, the Big Black Magic Hat, Spike Arm Illusion, Gecko from Hawaii, Turkey Sandwich/Jr Chicken, Hocus Pocus Hare, Glow Loops, Pluto Planet, Jumbo McCombial Deck, and *some inspiration too!*

Take this hand in hand with **Professional Magic for Children** and the new **Live Kidbiz 2 Master Textbook** and you're right up to date on how I love doing magic for kids...and how you can do the same!

**Crash Course on Kidshows reg \$15...**

**All spring special just \$10...or with any \$50+ order, only \$5.00!**

## Big Black Hat

ANOTHER SELL-OUT ITEM on my European tours! Plus it's one I'll be using for the rest of my performing career! Show this big black plush hat (madhatter style) EMPTY, put on a kid's head and it drops to his chin for a big laugh. He waves a color changing wand over it (FREE with your hat) and suddenly pulls dozens of silks out of the hat, followed by a beanie bunny (YES, included!), even a 6-ft Rabbit Silk (no, not included!). My full 5-page routine is in **Crash Course on Kidshows**, and if you play it my way, not only will YOU love doing it, but the kids will LOVE YOU!

Get the book! Get the hat! Get the free color changing wand and the free beanie bunny! Trust me—be a believer! It works!

**BIG BLACK HAT w/free wand & bunny...only \$35.00**

**SPECIAL: Till June 13th ...Buy BOTH hats this page and get not only a free Color Changing Wand...But also FREE the Hats, Rabbits, and Swords DVD! You must ASK FOR IT!**

## Color Changing Wreaths

Since 1980 I've done this wonderful trick in well over 1000 live shows. People love it! And it's perfect for Christmas! My wife is always hanging Christmas wreaths, so here are three of them—all white. One by one they go into the CLOTH BAG (yes, comes with it), put a RED silk through the hole and out comes a RED WREATH. I repeat with two more whites, use two silks blue and yellow, to change the next two wreaths to those colors. At last I put all 3 colored wreaths inside the bag, push all 3 silks through the hole, then pull all out. NOTHING. I toss the trio into the air and visually they change into ONE LARGE 3-FT WREATH!

Trick comes with 3 single 12" white wreaths, 3 single 12" colored ones, the large 3-ft one, cloth bag, 3 colored hanks, and instructions. Personally, I replaced my hanks with 18" silks.

**Originally \$80. Now better and less expensive: just \$25.00!**

## Hats, Rabbits, and Swords—DVD

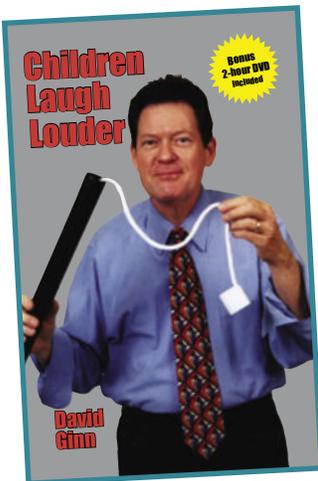

What started out as a lecture became a complete **library show** performance, followed by an **explanation** of how's and why's. Then came *the show after the show*, with an illusion seldom seen at any magic convention and a hat production to top them all. It was a one time only *David Ginn night to remember*, filled with **Hats, Rabbits, and Swords!**

Assisted by Brenda and Marty Hahne of Dazzling Magic, David starts the evening by discussing two magic principles, featuring the Red Big Hand and Middle Diddle Silk. Next comes a 45-minute performance of David's **MAD** Reading Show, which includes Bookworm Warm-up, Cheat Blendo, Cane-Can, Rocco Delites, *Steve Taylor's* Airhead Rudy, Quack-Quack the Mindreading Duck, Monster Hat Origami, Big Book Bag, the Book Cover Revealed, and the No Snake Box gag.

David's **Big Black Magic Hat** routine, from the *Crash Course on Kidshows* book but never seen on video, is the highlight of the performance, along with the new **Bunny Hat** addition, which makes a cute girl audience volunteer into the hero.

After the show David spends 20 minutes explaining the tricks and his thinking. Then comes the bonus—a live performance of **Sherm's NOMA**, the Woman of 1000 Lives, which David calls simply "the Sword Box," and following that, the *Out of a Magic Hat Encore*, a huge production with a big surprise ending. Total running time of this DVD-only product: **100 minutes!**

**Hats, Rabbits, and Swords—\$35.00 Special price: \$19.00**

## Live Kidbiz 3/4 DVD

This double DVD contains *Live Kidbiz 3 & 4* videos, each one an hour long.

**LK 3: Costuming Kids for Laughs.** Children love to dress up. Here I show you exactly how I have used this fact to create laughter in shows at schools, kindergartens, and libraries. You'll see hats, glasses, coats, vests, aprons, beards, banners, shirts, and skirts brought into the action to embellish the magic routines and simply make them more fun. Highlight is the Cowboy Race, an explanation of how real cowboys dressed and a guest visitor in a ten-gallon hat. You won't believe the little guy who "wins" the race! Completing LK3 is my "Radio Show," a 17-minute play using magic to depict a live broadcast of a 1930s radio murder mystery. You'll be laughing and trying to guess "Who did it?"

**LK4: Storytelling with Magic.** Every clip on this video either tells a story or delivers a message, including: Magic Drawing Board, Jolly Polly George, Save Our Water, Big Bad Kong, Puzzle Talk, Watch Tester, Pieces of Eight, Sharpshooter, Guillotine, and Rabbit Botania. You'll get plenty of

ideas on timing, delivery, and mixing messages/stories with magic from watching this. All clips come from live David Ginn performances at schools and family venues.

## Glitter Pom Pom Pole

No exaggeration: I took my last 22 Glitter Pom Pom Poles to Blackpool England, performed my toy shop routine, and SOLD OUT immediately after the lecture in 2004. Hey, someone even bought my own, and I had orders for more. So Jim Green in Florida got back to work and made some more! And he's still making them, and they're still selling!

Originally popularized by Doug Henning on a 1980s TV show, this trick is currently being made by many manufacturers. Jim's, in my opinion, is THE BEST. Why? It works smoothly, and it's the right size. This 10-inch pole will fit inside your coat or back pocket YET is large enough to perform close-up or stage. What happens? You pull the various pom poms

(red, yellow, blue, green) back and forth, up and down, from one side to another, puzzling the audience. Then you separate the two halves of the pole showing nothing inside. When you join the pole again, the pom poms resume working. Several routines included with a precision made product!

**GLITTER POM POM POLE: \$35**

## Complete SNAKE CAN with DVD

ALL over the UK two years ago, I showed the Snake Can routine I created and published over 35 years ago! It still works to create fun and laughs for children who weren't even born then! With two children on stage helping, I offer them jelly beans from an empty can...then have fun with a big toothbrush, a giant comb, and jumbo sunglasses...an 18" Color Explosion Silk vanishes from the boy's hand...then four cloth-covered spring snakes appear from the jelly bean can the girl has been holding all along...complete with the missing silk tied to one!

Now here's your bargain: I'll ship you **two** colorful Jelly Bean Cans, **four** cloth-covered spring snakes, **two** Color Explosion 18" Silks, a giant comb, toothbrush, sunglasses (as pictured), my original *Snake Can* booklet, AND my *Magic in Black & White* library show on DVD along with *It's About Time*, showing the entire routine performed LIVE...a retail value of \$65.00...all this for...

**ONLY \$45.00**

(Complete Snake Can Package without DVD: only \$35)

## Daddy G Powder • Buy 2, Get One Free!

This is Ginnville slush powder, purchased directly from the chemical company, strong and pure, and I guarantee it works, plus I can give you a better price! **Daddy G Powder** is strong enough to gel water, tea, coffee, soda, juice.

Pour 3–4 oz of water into a styrofoam cup, push two knitting needles through the side, turn the whole thing upside-down, and the water is gone! See this on *Live Kidbiz 4* in the "Save Our Water" ecology routine. On my *Kidshow How-2* video I play 3-cup monte with the water before it vanishes leaving a 12 foot silk streamer! Glue an empty medicine bottle inside the top of a cup, hiding a red silk inside. Pour red colored water (cake coloring) into the cup. A moment later you turn the cup over—no water comes out but you pull out the red silk. Has the water changed to a silk?

All you do it put a little of the powder into the cup before the show. When you pour water into the cup, the powder INSTANTLY congeals the water into a semi-solid, allowing you to turn the cup upside-down. One 30 gram bottle of my **Daddy G Powder** will last 20-30 shows, depending on how much you use.

**Daddy G Powder: \$5 bottle ... 3 for \$10 ... or 7 for \$21. (plus shipping)**
